# Adults classes at Masjid Al Aashiqeen

## About the Adult Classes

The Adult Classes at Masjid Al Aashiqeen (MAA) aims to train the community who will serve the respective community, and to enhance the understanding of Islam in the contemporary context among people of all backgrounds.

## Why the Adult Classes

The Muslim community is at a defining moment in determining its future outlook and place in South African culture. Though we have seen growth in population and development, there remains difficult and perplexing moral, intellectual, socioeconomic, and local challenges that impedes a more fruitful and Allah-conscious lived reality for Muslims in South Africa.

The Adult Classes seeks to address this challenge by engaging students of all backgrounds in an exploration of Islam in the contemporary context, and by equipping the community with the intellectual, spiritual and practical training to serve the Muslim community.

Launched in 2017, the Adult Classes Program offers adult learners innovative and intellectually rigorous courses that inspire deep engagement with Islam and enable critical analysis of our contemporary context. This program is meant to complement Khutbah's, lectures, halaqas, and classes offered by most masjids, and focuses on addressing contemporary challenges that Muslims face as a minority religious community in Johannesburg, South Africa.

*I have benefited immensely from the classes hosted at the Masjid. I love that the classes are for free, and love sharing the wisdom that was taught in the class to my friends and family.*

*I would definitely recommend the class*
